Additional Card Acceptance

With a QuickBooks merchant account, you can accept Visa and MasterCard automatically. In addition, you can apply to accept American Express, Discover, and Diners Club.

* Indicate which credit cards you currently accept

- American Express Acct #
- Discover Card/Novus Acct #
- Diners Club Acct #

If you already accept these cards, enter the existing account numbers and check the boxes.

* Indicate [additional credit cards](#) you want to apply to accept

- American Express
- Discover
- Diners Club
- JCB **

If you don't have an existing account and want to accept these cards, check the box next to the type of card you want to accept.

** A separate account is not required to process JCB cards via a QBMS/IMS merchant account. If you have an existing JCB account, you should contact JCB directly to find out about closing it.
